RECEIVED

MAR 24 1994

GROUP 2200

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

NOTICE OF COPENDENCY

A petition to revive under 37 CFR 1.137 was filed in the application Serial Number 07/899,777, filed June 17, 1992, (herein referred to as the "parent" application) for purposes of establishing continuity between the parent application and the above captioned continuing application. On February 28, 1994 the decision on the petition was mailed stating that the petition was granted.

Therefore, the requirement in the above captioned continuing application for copendency with the parent application has been met.

This notice is being provided within one month of the date the decision on the petition was mailed.

For the benefit of a filing date per 37 CFR 1.8, I hereby certify that this paper is being deposited with the United States Postal Service on the date shown below with sufficient postage in an envelope addressed to the Commissioner of Patents and Trademarks, Washington, D.C. 20231.
